Bicycles for your factory - #carefree

Your idea

- ▶ You want to buy reliable bikes to cover distances efficiently
- ▶ Cost reduction through time savings
- ▶ Happier and healthier employees

Your problem

- ▶ Lack of staff and time for bicycle service
- ▶ Bikes start rusting
- ▶ Employees cannot ride bicycles

Our solution

- ▶ Our bikes are low-maintenance
- ▶ No rust
- ▶ Our mobile bike service is available in less than 24 hours

What you get

- ▶ Positive image, as the bike is made from recycled material
- ▶ Eye-catching advertising
- ▶ Increasing awareness
- ▶ Happy customers due to their unique experience
- ▶ Profitable side business
